

THE VENUE OF THE CONFERENCE

Center for Atmospheric Sciences,
Indian Institute of Technology Delhi,
Hauz Khas, new Delhi-110016, India

IIT Delhi is an autonomous organization functioning in term of the Institute of Technology Act, 1961 amended vide the Institute of Technology (Amendment) Act, 1963 and the Statutes framed thereunder. It offers higher education in various branches of Applied Science and Engineering of a standard comparable to the best in the world. The Centre for Atmospheric Sciences (CAS) at IIT Delhi is a premier center for education and research in atmospheric and oceanic sciences in India which is engaged in doing cutting-edge interdisciplinary research in four core areas: atmospheric modelling, oceanic modelling, air pollution and climate science.

MAILING ADDRESS

Dr. Dilip Ganguly, CAS, IITD (Co-Convener, IASTA-2018)
Centre For Atmospheric Sciences,
Indian Institute of Technology Delhi,
Hauz Khas, New Delhi-110 016, India
Email: dilipganguly@cas.iitd.ac.in
Tel: (91) 11 26596401
Fax: (91) 11 26591386
Website: <http://cas.iitd.ac.in/iasta2018/>

PATRONS

1. Dr. S Basu, Chairman, AEC
2. Mr. K N Vyas, Director BARC
3. Dr. U C Mishra, Ex Director, HS&EG, BARC
4. Dr. Pratim Biswas, Chairman, Dept of Energy, WUSTL

NATIONAL ADVISORY COMMITTEE

1. Prof. V. Ramgopal Rao, Director, IIT Delhi
2. Mr. S A Bhardwaj, Chairman AERB
3. Dr. K S Pradeepkumar, BARC, Mumbai
4. Dr. P C S Devara,, Amity University, Gurgaon
5. Dr. A Jayaraman, Former Director, NARL, Gadanki
6. Dr. D K Aswal, Director NPL, New Delhi
7. Dr. Rakesh Kumar, Director NEERI, Nagpur
8. Dr. Y S Mayya, IITB, Mumbai
9. Dr. G Beig, IITM, Pune
10. Dr. M M Sarin, PRL, Ahmedabad
11. Dr. R M Tripathi, Head HPD, BARC, Mumbai
12. Dr. D Datta, Head RP&AD, BARC, Mumbai
13. Dr. Chandra Venkataraman, IITB, Mumbai
14. Dr. S N Tripathi, IITK, Kanpur
15. Dr. S Ramachandran, PRL, Ahmedabad
16. Dr. B K Sapra, BARC, Mumbai

TECHNICAL PROGRAMME COMMITTEE

1. Dr. Sagnik Dey, CAS, IITD (Co-Convener)
2. Dr. Dilip Ganguly, CAS, IITD (Co-Convener)
3. Dr. B K Sapra, BARC, Mumbai
4. Dr. S Ramachandran, PRL, Ahmedabad
5. Dr. Neeraj Rastogi, PRL, Ahmedabad
6. Dr. Tarun Gupta, IITK, Kanpur
7. Dr. Sachidanand Singh, NPL, New Delhi
8. Dr. Kirpa Ram, BHU, Varanasi
9. Mr. I V Saradhi, BARC, Mumbai
10. Dr. S Anand, BARC, Mumbai
11. Dr. G Pandithurai, IITM, Pune
12. Mr. Manish Joshi, BARC, Mumbai
13. Mr. Arshad Khan, BARC, Mumbai

LOCAL ORGANIZING COMMITTEE

1. Dr. Manju Mohan, CAS, IITD (Co-Convener)
2. Dr. Sagnik Dey, CAS, IITD (Co-Convener)
3. Dr. Dilip Ganguly, CAS, IITD (Co-Convener)
4. Dr. Gazala Habib, Civil, IITD

IASTA-2018

Conference of Indian Aerosol Science and Technology Association On

Aerosol Impacts: Human Health to Climate Change

November 26-28, 2018

VENUE

Center for Atmospheric Sciences,
Indian Institute of Technology Delhi,
Hauz Khas, new Delhi-110016, India

ABOUT IASTA

Since its inception in 1988, Indian Aerosol Science and Technology Association (IASTA), has been working towards the growth of aerosol science and technology disciplines and their applications in the country by way of organizing conferences, workshops and by bringing out biennial bulletins and other publications.

ABOUT THE CONFERENCE

The conference will offer three days of plenary lectures, contributed papers in the form of platform and poster presentations and exhibition of different products and systems related to aerosol science and technology and allied areas. SCOPE OF THE CONFERENCE The conference will focus on the latest developments in aerosol science as well as the insights that the community has gained in the recent years with regards to the impacts of aerosols on human health and climate change, including the following broad areas:

- Aerosol Fundamentals: Physics and Chemistry
- Aerosol and Climate Change
- Aerosol Instrumentation
- Aerosol Characterization
- Aerosol Remote Sensing
- Aerosol Radiative Forcing
- Aerosol Deposition and Transport
- Nuclear and Radioactive aerosols
- Bio-Aerosols and Clean Room Applications
- Aerosols and Human Health
- Air Pollution and Agriculture
- Aerosol-Trace Gas Interactions
- Nano-aerosols and Material Synthesis

CALL FOR PAPERS

Registered participants are requested to submit extended abstract (template in Word) to iasta2018@gmail.com by **Sep 1, 2018**. Participants are requested to write "Abstract for IASTA 2018, «Participant ID»" (the Participant ID will be assigned during registration) in the subject line while sending the extended abstracts by email. It is proposed to bring out proceedings of the Conference. Acceptance notification will be communicated to authors by **Oct 1, 2018**, with a request to submit the soft copy of final abstract in camera-ready form by **Oct 31, 2018**. IASTA-2018 will endeavor to give preference to papers which deal with new advancements, applications and developments in the aforesaid areas. All papers submitted for presentation in the Conference must be original and should not have been presented elsewhere. All papers will be subjected to review and decisions will be conveyed to the authors accordingly.

IMPORTANT DATES

Abstract submission deadline	Sep 1, 2018
Abstract acceptance notification	Oct 1, 2018
Registration deadline	Nov 10, 2018
Conference dates	Nov 26-28, 2018

REGISTRATION FEES

The following Conference registration fees* is payable by different categories of delegates:

	Up to Nov 10, 2018
Indian Delegates (IASTA members)	₹1000
Indian Delegates (non-IASTA members)	₹1500
Students	₹500
Foreign Delegates	USD 100

*Procedure to pay registration fee online will be communicated later.

TECHNICAL EXHIBITION

With a view to highlight the advancements made in the area of aerosol science and technology, it is planned to organize a technical exhibition along with the Conference. Equipment manufacturers, service providers, and related agencies are invited to participate in the technical exhibition to highlight their products and services. Exhibition space of about 2.5 m x 2.5 m will be provided to each exhibitor. Those interested may please contact Convener, IASTA-2018.

ACCOMMODATION

Accommodation will be available in select hotels at the concessional rates (details of which will be provided later) for IASTA delegates. Limited hostel accommodation only for students will be available on first cum first serve basis. The delegates will be required to pay for their accommodation.
